A Message from our Board Chair

Welcome to the Charles County Chamber of Commerce's 56th Annual Golf Tournament!

We are overjoyed to see so many supporters of our local business community! After a tough few years and a period of re-emergence, the time has come for the light to shine on Charles County businesses. Step onto the red carpet with us, and let's film a new, action-packed story where member businesses have leading roles.

This is the year of Lights, Camera, Action, and we're working to get Charles County businesses in the limelight. We remain focused on our mission of generating business prosperity through promotion, advocacy & education for our members, and we are grateful for your support of that mission.

If any team has less than four players, each player will hit an extra shot on a rotating basis as if there were four players.

MOST CORPORATE EVENTS ARE BORING. YOURS DOESN'T HAVE TO BE.

Brian Curry blurs the line between fact and fiction in a gasp-per-minute show that will leave your guests waiting in line to thank you for the best event of the year.

He reads the mind of a skeptic, he influences your behaviors, and he detects a secret liar on stage. Brian Curry creates impossible moments that your guests will talk about forever.

For over two decades, Brian has entertained at corporate events and on cruises to every continent. He could give you a list of the companies he's worked for, but you probably wouldn't believe him anyway.
